Education/Program Progression Assistance

ABSENTEEISM-

- Class schedules run from 7 – 26 hours during the week, we are anticipating attendance will be 100%
- Missed hours or days could cause you to become behind in your learning and clinical sessions
- It will be the responsibility of the student to check with instructors and classmates to pick up handouts or notes missed
- Absenteeism may delay your certification
-

MAKING UP MISSED TIME

- Students will be required to complete all missed hours before receiving any certification/diplomas
- Missed hours need to be booked and scheduled prior to making up time
-

WRITTEN EXAMS AND CLINICAL ASSESSMENTS

- The minimum grade needed for all certifications is 80%. A minimum 80% average must be achieved in both theory and clinical assessments & exams
- It is advised to maintain an 80% average or above for weekly quizzes and assignments-if you do not meet this percentage the first time, you will be given an opportunity to revise.
- All exams & assessments revised will need to be arranged and scheduled for a date in the near future – check with instructors for confirmation
- Individuals who require more study time or more clinical proactive – instructors will advise
